TIGERS WIN GAME FROM THE BROWNS

Detroit Breaks Losing Streak by Trimming Browns in Fast Game.

DETROIT, Mich., May 27.—Detroit broke its losing streak today by winning from St. Louis 3 to 1 after eight successive defeats on its recent eastern trip. Except for the first in-ning, Coveleskie was never in trouble. It was Weilman's first defeat on the local field since 1914. Rain caused postponement of the first game of the scheduled double header.

Latest Reports of Operations In West Virginia, Pennsyl-

wania and Onio.

The week-end of development work in the eastern field completed nothing better than light producers. All districts show a steady increase in development work, despite the fact that the average size of the completions is very small. Neither from the first to the close of the week was there but one discovery made that is attracting attention. It is located in Sheridan district, welzed county, the South Penn oli the J. P. Knight farm, operated by M. F. Crowley and Company. It is their first test on this farm and when drilled through the salt sand showed for a producer and was given a shot and is estimated to be good for fifteen or twenty barrels a day. It is purely a wildcat located about two miles due west of Brookvillo pumping station and 1,500 feet from the mouth of Annamorriah creek. Possibly it may lead up to the development of a new pool.

On Middle Island creek, Elisworth on Middle Island creek, Elisworth is a started to drill a test on the Huff-loop and the value of the control of a new pool.

On Middle Island creek, Elisworth of the case of the Walter Facmyer farm and the United Fuel Gas Company is drilling a test on the Huff-loop and the development of a new pool.

On Middle Island creek, Elisworth on Moria company is drilling a second test on the Carnegie Natural Gas Company has beatering a second the Island company is drilling a second test on the Carnegie Natural Gas Company has beatering a second the same company is started to drill a test on the Sim

district, Tyler county, Rice and Kelly district, Tyler county, Rice and Kelly have drilled a test on the Haddox heirs' farm through the Keener sand and found it barren. On the same stream and in the same district, J. Inghram and Company drilled their test on the A. D. Lemasters farm through the Big Injun sand and had the same kind of luck.

Ritchie county is completing a good many light pumpers. In Union dis-

Ritchie county is completing a good many light pumpers. In Union district, R. E. L. Frimier drilled a test on the I. N. Cokley farm through the Squaw sand and it shows for a five-barrel pumper. This location is 3,000 feet south of production. In Clay district, the Imperial Oil and Gas Products Company drilled its test on the Percival Lomtz farm through the Big Injun sand and is showing for a ten-barrel number. showing for a ten-barrel pumper. On Fish creek, Meade district, Marshall county, the Larrimer Oil

Company has abandoned its test on the J. F. Crowe farm. Neither oll or gas was found in paying quan-lities in any of the formation drilled through. The Patterson Glass Com-panya's test on the Shirley Hughes farm is a fair gasser in the Gordon and

Roane County Completions Roane county is completing a good many wells and of small caliber. Or Johnsons Fork, Spencer district, the Lee Ott Oil Company's test on the J. H. Harris thirty-three acres, is a five-barrel pumper in the Big Injun sand. On Triplett run, G. L. Babot has now drilled his test on the A. J. Dunning Corp. the same the Parkers. Runnion farm through the Berea grit and found it barren. A fair gas pressure was developed in the Big Injun sand. Eddie Collins (insert) and Clarence Rowland.

The report now being circulated that Clarence Rowland is to be deposed as White Sox manager has not surprised many who saw the poor behavior of a team well fitted out with talent. Charles Comiskey, owner, has finally lost patience, it appears, and considers that a change in management is the only hope. The rumor is abroad that Eddie Collins may be selected to succeed Rowland.
